

iPAD CLASSROOM FUNDAMENTALS

iPAD: CAN'T DO & CAN DO

IN 2014, YOU COULDN'T...

- Directly access school's network drives
- Create/edit Office documents using Word, Excel or PowerPoint for iPad unless you were an Office 365 subscriber

iPAD: CAN'T DO & CAN DO

TODAY, YOU CAN...

- Access your network folder using 3rd party apps.
- Create, open and edit Office documents using 3rd party *as well as* the Microsoft Office apps... for Free!

YOU ALWAYS COULD...

- Print to district networked printers
- If you can think of it, there's probably an app for that — over one million total apps; over 475,000 iPad native

HOW DO I CONNECT TO MY SCHOOL NETWORK FOLDER?

WHAT YOU NEED:

- [FileExplorer Free](#)
